Subject: Letter of Recommendation - Asia Pacific Marine (Formerly McGram Fusion)

To Whom It May Concern:

Having utilized APM's services several times in the past 3 years, I highly recommend them to all vessel captains, managers and owners. APM has managed dry docking, assisted with engineering maintenance, and conducted beautification projects aboard No Boundaries never failing to meet or surpass my expectations - often going above and beyond the ordinary to ensure every aspect of the projects are completed properly and timely. Additionally, APM has always displayed exceptional customer service from the management level down to the deck-plates - maintaining continuous contact, day and night, during projects to personally ensure all vessel requirements are met and crew needs are attended to.

Without reservation, I highly recommend APM's services and please feel free to contact me if I can be of further assistance.

John J. Kidwell
